À la Carte Menu

This Dhaba is different from other Dhabas. Our vision is to bring something new and unique to your taste buds. The menu is my (Safi's) declaration of love for the Indian cuisine. For the numerous spices and local traditions.

The recipes are classic but made with a modern twist and more tailored to Danish food culture. I hope that the many dishes with their warm spices, inviting aromas, intense flavors, and fantastic colors bring you a piece of India. The most important ingredient is those who sit with you and share the food. Enjoy!
